

LETTER OF SUPPORT FOR DR. MAXWELL SAUDER:

It is with great pleasure that I provide a support letter for Maxwell Sauder's nomination for Treasurer Elect, on the CDA Board of Directors.

Max has a business background, and also has experience as a Treasurer of the Ontario Medical Association (OMA) Section of Dermatology since 2020. Prior to medicine, Max completed his undergraduate degree in business and then subsequently worked for a healthcare-consulting firm for three years prior to medical school. He is on his second term serving as Treasurer of the OMA Section of Dermatology Executive, where I have worked with him and seen his financial and business acumen. His contributions have been outstanding.

I know Max well personally, as he trained as a resident in the University of Ottawa dermatology program. During this time working together, it was clear he had strong leadership skills and excellent interpersonal abilities. He was an excellent chief resident in 2014. He was a mentor to other residents in our program and had a genuine interest in making sure the program ran to its full potential.

In summary, I give Max my full support in his nomination for Treasurer Elect. Max is an outstanding colleague and has unique skills and experience which would be invaluable to the CDA Board of Directors as Treasurer Elect.

A handwritten signature in black ink, appearing to read "J. Beecker". The signature is fluid and cursive, with a large initial "J" and a long, sweeping underline.

Dr. Jennifer Beecker
